Thank you for supporting your Lady Vikings Basketball Program!

FARMERS MARKET

Farmers Market behind Daugherty's this coming Saturday, will have green beans, tomatoes, onions, zucchini, cucumbers, sweet corn, plus much more. Elizabeth Stutzman from Berne will be here with her homemade pies, bread, noodles, jams and jellies along with other specialties. We are working with the Van Buren Lions Club about the possibility of selling & taking orders for their hand breaded tenderloins.

TURTLE CLEANING CLASS

There will be a turtle cleaning class at the Warren Sportsman's Club on Saturday, July 25th at 7:00pm. Bring your lawn chair and come out and learn a new skill. You will also be able to taste some deep fried turtle nuggets. We hope to see you at the Sportsman's Club on Saturday, July 25th at 7:00.

CAMP DISCOVERY

You're Invited to Dillman Church for Camp Discovery VBS Saturday, August 1 (Family Night) - Wednesday, August 5 6:00 - 8:30 PM.

Kids 3 years old - completed 5th grade.

In Camp Discovery VBS, your children will discover that Jesus works in and through them! They'll explore God's Holy Word, and discover five tree-mendous accounts where God works in His people to save them and through His people to serve others. Jesus saves us, gives us faith, courage, and wisdom to serve Him and share His good news with our neighbor! Registration forms are available online at www.dillmanchurch.org under

Ministries/VBS. Please fill out a registration form and bring it along with you on Saturday, August 1st, at 6:00 p.m. The first night is Family Night where your whole family will enjoy supper, bonfire, and activities together with your child. Dillman Church is located at 8888 S 1100 W-90, Warren. If you have any questions, please contact Caryn Johnson at 260-417-2306.

REPORT DAMAGE

Indiana homeowners, renters, businesses and private non-profit organizations that sustained uninsured damage caused by recent severe storms and flooding can report damage online at <https://myoracle.in.gov/hs/damage/ia-public.do?method=active&incidentId=IA20150708112230>.

A link to the form is also available on the Indiana Department of Homeland Security (IDHS) website at www.in.gov/dhs. In the middle of the page under "Featured Topics," click on "Report Damage from Severe Weather, Flooding - June 7 and continuing."

Uninsured damage from other storms and flooding starting on or after June 7 can also be reported.

Damage reports will be used to help local emergency management agencies and the Indiana Department of Homeland Security with preliminary damage assessments and to determine if federal assistance can be pursued.

This is NOT an application for a grant with the Federal Emergency Management Agency (FEMA).

Individuals will be asked to provide their name, address, phone number and type of damage the property sustained. Losses can in-

clude structural damage to homes and loss of personal property.

For questions, contact your county emergency management agency. Contact information is available at <http://www.in.gov/dhs/2797.htm>.

Individuals without Internet access are encouraged to contact a friend, family member or neighbor for assistance. Web access is also available at many libraries, religious institutions, community centers or other public facilities. If none of those options is available, individuals may also contact their county emergency management agency to report damage.

ROAD BLOCK

Huntington County Special Olympics will be having a roadblock on Saturday, July 18th.

The roadblock will take place at the intersections of South Jefferson and MacGahan streets and at North Jefferson Street and Etna Avenue.

Hours of the roadblock will be from 10 a.m. to 2 p.m. All proceeds from this event stay in Huntington County to help defray entry fees and to purchase uniforms and equipment for Huntington County Special Olympics athletes.

Upcoming local Special Olympics event include face painting at the 4-H fair July 25-29, bottled water sales at the Rollin' Into Roanoke Car Show July 25, bowling practice August 22, Craft Show, Chair-ity Affair Chair Auction, breakfast, lunch and The Freedom Riders Ride August 29, Norwood Golf Outing on September 26 and Pizza Hut fundraiser September 28.

THANK YOU

I want to personally thank all of my sponsors this year that helped me get the Art Show, the Children's Art Show and the Flower Show all together for the Salamonie Summer Festival.

Campbell Dye Insurance and the Pulse Opera House sponsored the Adult Art Show. Courtyard Studio, 3 Amigas Childcare and the Heritage Pointe Daycare for sponsoring the Children's Art Show.

A Big Thank You to Megan and The Flower Pot of Warren for the sponsorship all the help they did for us.

To the USS Salamonie Guys for sponsoring the Veteran's Wall. We had 70 veterans on our wall and we had to expand to get all of the pictures up and it looked great. So thank you all for sharing your pictures with us.

Some of you noticed the new easels for the art show. A very special thank you to the Huntington County Community Foundation / Jim and Linda Howell Community Fund for the grant to make them and the extra steps they and Historic Warren did for us. We appreciate it very much. To my husband John for working hard on such a short notice to get the easels done in time for the show. Thanks, I'll try not to work you to hard on next year's festival. Lol

To all who visited the Art Show, Flower Show and Veterans Wall. Thanks for stopping by and checking out our event. We probably had several hundreds come through and with that kind of turn out it makes it all worthwhile.

Last, but not least, Thanks to my two side kicks in all of this. Tara Bowman and Kendra Flemming, Thanks for all of your help and keeping me sane. All of the ideas, even though we changed them dozens of times, we always pull it off. Lunch on me one day!!

To the Clubs and Organizations of Warren, the Festival relies on many of you to help with some events. Please consider helping this organization with supporting an event or sponsoring an event. It takes more than just six people to pull this Festival off. With your help we can have an even better festival and even some events you can make a little money at to help your organization. Please consider helping out. In the long run it's a very worthwhile project.

Thanks Again,
 Treva Flemming

THANK YOU

It is hard to write a thank you because you are so afraid of missing someone. So I am just going to say a BIG THANK YOU to the entire community of Warren for their support and confidence to name me as the 2015 Samuel Jones Pioneer.

Since I closed the business two years ago, I have truly missed talking and visiting with my customers. In a small town like Warren it is very hard to not become "one of the family" as I was told many times when working on an entire fleet of vehicles for one family.

I want to thank God for seeing me this far in my journey. It is my love and faith in Him that keeps me going. Next I want to thank my family for all their love and support, and for being there with me at every step.

I was in total shock when Rose announced my name as the 2015 Pioneer. I feel so undeserving, but it was truly an honor to be named.

Again, thank you everyone that had a hand in the decision and I will do my best to fulfill the honor.

AREA NEWS

SYRUP AVAILABLE

The Warren Pharmacy just received a fresh supply of New York State Maple Syrup. This 100% pure Maple Syrup was tapped this spring from Maple trees in the Adirondack mountains near Schroon Lake, New York. Maple-Wood Sweets are provided by Josh and Sarah (Daniels) Pfuelb and can be contacted at maplewoodsweets@yahoo.com. They currently live and work for Word of Life Bible Institute (www.wol.org). Sarah grew up in Warren, and is the daughter of Terry and Melinda Daniels, of the Warren Pharmacy.

4-H PARADE

The Huntington County 4-H Fair is almost upon us! The fair kicks off this week with our 4-H Parade. The parade will start on Etna Ave at the intersection of Etna and Henry Street. Henry Street is behind the old Marsh building and is where the parade entries line up this year. The parade route runs from Etna Avenue south down Jefferson Street to Briant Street. There it will turn left and travel on Briant to Hier's Park. The parade will be ending at the Huntington County Fairgrounds. This year there will also be a panel of judges to select the best float. The winning float will have their picture and name on a plaque during the week of the fair displayed in Heritage Hall.

Joining the 4-H Clubs this year are antique tractors from the an-

tique tractors club! They will be pulling floats for various 4-H Clubs in Huntington County.

The 2014 4-H Royalty Winners and 2015 4-H Royalty Contestants will also be a part of the 4-H Parade. The 2015 Royalty Contest will continue with the evening program at Huntington North High School at 8:00 p.m., after the 4-H Parade. The public is welcome to attend.

The 85th Annual Huntington County 4-H Fair will be held July 17-31, with the livestock entry and shows at Hier's Park from July 24-29.

FUND MATCHING

The Youth Services Bureau has received a Lily Endowment Matching Grant through the Huntington County Community Foundation for fund enhancement. Funds contributed between now and November 20, 2015 through these efforts will receive a Lily match of a \$1 for every \$2 raised by the agency. "When this opportunity arose we had a couple who are generous supporters pledge \$5000 and challenged the agency to raise \$5000. With the Lily match that would increase the current fund balance by \$15,000", stated Jan Williams, executive director.

The Youth Services Bureau has been providing programs that address the needs of children, youth and families in Huntington since 1987. The agency provides 17 different programs which include but not limited to: Safe Place &

Host Home, Students Out of School (SOS), Teen Court, teen suicide prevention, Tools for Life (school supplies), anger management and Skills for Life.

"The enhanced endowment would help the agency ensure their ability to meet the needs of young people and their families in Huntington County for years to come," shared Kent Farthing, Board of Director's co-president.

Contribution needs to be made out directly to the Huntington County Community Foundation with the Youth Services Bureau match on the memo portion. Checks should be mailed to:

Huntington County Community Foundation, P.O. Box 5037, Huntington, Indiana 46750

To learn more about the Lily Endowment match or the agency, contact the office at 260-356 9681 or visit the webpage at www.ysofbofhuntingtonco.org.

BAKE-OFF WINNERS

2015 Salamonie Summer Festival Bake-Off was held during the Festival. There were 26 entries between pies, cakes, cookies and breads. Brody Brown won in the Cookie Division with a Butter Cookie. Kade Brown won in the Bread Division with Hummingbird Muffins. Blaine Brown won in the Pie Division with a Pecan Pie and Doris Moon won her division in Cakes and was also named Warren's Best Baker with her Dark Chocolate Chiffon Cake with buttercream frosting.

We would like to thank our sponsor Kristie Mounsey of Crumbs Bakery for sponsoring this event and Heritage Pointe for the use of the paper products. Thank you to all that entered and hope to see

you and your favorite baked goods next year.

Dark Chocolate Chiffon Cake

5 Large Egg Whites, ¼ C Water, 3 Large Egg Yolks, 1 t. Vanilla, 1 T instant coffee powder, 1 pkg Devils Food Cake, ½ t Cream of Tartar, ½ C Vegetable Oil.

Beat egg whites and cream of tartar on high speed 2-3 minutes until stiff peaks form. Set bowl aside. Place sifted cake mix and other ingredients in a large bowl and beat on low 1 minute. Stop and scrape sides down and beat another 2 minutes on medium speed. Add in the beaten egg whites and fold into the cake batter until well blended. Put in tube pan and smooth top. Bake at 325 for 48-52 minutes. When done turn pan upside down on a bottle to cool. Remove from pan after cooled.

Chocolate Butter Frosting

1 stick butter room temperature, 2/3 C unsweetened Cocoa Powder, 1/3 C whole milk, 2 t Vanilla, 3 C confectioner's sugar (sifted plus more if needed), ¼ t salt.

Beat butter and cocoa until well combined, about 30 seconds. Add other ingredients and beat until frosting lightens and is fluffy. You can add more confectioner's sugar or milk if necessary.

GINGHAM GAL'S MEET

The Gingham Gal's met recently in the exercise room at Heritage Pointe to learn more about the Rocksteady Boxing Program for Parkinson's patients. The number of participants is growing and the progress in the clients is impressive.

The G.G.'s then traveled to Joyce Trout's home for business and desserts. Donations were sent to the Parkinson Foundation at Heri-

tage Pointe and to the Salamonie Summer Festival.

In the past months the club has had a tour of the Knight Bergman Center, went on a tour of Israel, Turkey, Jordan and Egypt with Don and Dorothy Ping's grandson, Andrew Wickersham, a recent graduate of Huntington University. Also we've heard facts and enjoyed samples of sodas from the owners of Antiquology, located in downtown Huntington.

Attending this July meeting were: Ruthann Ackley, Joan Boyer, Marcia Jackson, Martha Jennings, Joenita Keller, Ellen Laymon, Myrna Neff, Roselyn Poulson, Nancy Smyth, Evelyn Thompson, Betty Parker and Joyce Trout.

The August meeting will be with Joanna Grassl and Ann Hollar.

President Glessner called the meeting to order at 5:00 pm.

Minutes of Regular Meeting of June 8, Executive Session of June 26 and Special Session of June 26 were approved as submitted.

Introduced was a Scout attending for credit as he works toward his Eagle Scout level.

Marla Stambazze, Department of Community Development, reviewed status of properties under orders from the Department. The deed transfer of 312 11th Street is not known at this time. Morrison will check with the named buyer. The garage at 525 Jones has been removed and the owner continues to work on other details. The owner of the property at 216 Grover has not secured the property so another inspection will be scheduled by the DCD and review will be done by Council in August. An order of Demolition stands for 315 Main for July 27th unless a plan is submitted to DCD and Council for consideration. A property at 118 Hendricks Street has been readied for second inspection. A burned house on 204 First Street has been scheduled for inspection.

Introduced was Ordinance 2015-5, an amendment to the Subdivision Ordinance related to lot line adjustments when additional area

is purchased to be added to an already existing lot. Consideration of adoption will be done at the next Regular Meeting.

Morrison reported that the payoff of the Water Building Corporation Bond of 2000 has been completed but that the remitting of excess funds held by USBank has not. The Financial Consultant is addressing the matter.

Refinancing of the 2002 Sewer Bond is complete. The new schedule of payments and transfers is in place.

Morrison reported that the Huntington Council Commissioners have approved a request for thirty five thousand dollars (\$35,000) in County held CEDIT dollars to match local funds for structural and façade improvement grants. Morrison reported that a meeting will be scheduled with Indiana Landmarks to finalize the application process as soon as possible. Council members expressed appreciation citing that the additional funds will make the program accessible for more building owners which will lead to improvements in the downtown area.

Morrison reported that the Wall Trailer Project at I-69 has received Preliminary Plat approval. One of the next steps will be design and construction of a road. Engineering of the sewer and water line extensions will be completed when that step is nearing completion. Costs for the extensions will be covered through TIF funds generated in the I-69 area.

Reviewed was a request for closure of an unimproved portion of Eleventh Street off of North Wayne Street by Martin and Woehler. Following discussion, by

consensus, preliminary approval was given. However, final determination will be made following a public hearing.

Submitted was information from Knorr/Bendix that \$4000 had been awarded through a request from an employee for the placement of a batting cage at Tower Park. Additional costs would be placing the ground cover, concrete for the placement of poles and the digging of holes. Following additional discussion, Glessner moved, seconded by Buzzard, to accept the grant monies. The motion was approved unanimously. Joe Gallegos was complemented on pursuing the grant monies.

Marshal Spitler reported that a damaged Taser has been replaced free of charge by the Taser Company. The monthly report was filed with Spitler reporting that the Fire Works and Festival went well.

As to some alleys that were not repaved, Utility Manager Poulson reported that those are scheduled to be repaired in 2016 along with other paving maintenance projects. Mosquito spraying will continue with additional mix being ordered. Work continues on adjusting water tower levels with Peerless Midwest and the Engineer.

Consideration of a request for purchase of additional playground equipment was delayed until October due to budget considerations.

Accounts Payable Register was approved as submitted.

The next meeting of Council will be August 10 th at 5:00 pm. The September Meeting of Council has been rescheduled for September 15th.

ARE THERE WAYS TO FIGHT MEMORY LOSS?

from the American Counseling Association
Each of us, regardless of age, forgets things. As teenagers we often "forgot" we were supposed to clean out the garage or be home by 11, though it usually bothered our parents more than it did us. But as we age we begin to notice that our memory may really be a little less sharp. That can be frightening, since we've all heard about Alzheimer's disease and early onset Alzheimer's, and may feel anxious that's our problem.

While Alzheimer's is a very serious disease, with no known cure or treatment, the fact that your memory sometimes is a bit hazy is not necessarily an indication of the illness. Today about 5.3 million Americans suffer from Alzheimer's and about 200,000 of

them experience early onset Alzheimer's (affecting someone under 65).

What most of us face is not Alzheimer's, but simply growing older. Experts tell us that some memory loss is a natural part of the aging process. While we all forget things now and then (like those stupid car keys), it usually is after age 70 that most people notice it may be happening more frequently.

Fortunately, there are things you can do to combat the natural memory loss of getting older.

One is to avoid smoking and heavy alcohol use. A Harvard Medical School study found that smokers perform much worse than non-smokers in memory and thinking skills test.

Experts also advise watching your diet. A diet rich in fruits and vegetables, but low in saturated fat and cholesterol, may improve brain health. They also suggest that foods high in omega-3 fatty acids, like salmon and tuna, can help the brain.

Staying physically and mentally active will also fight memory loss. Physical exercise increases blood flow to the brain, which again means better brain health and function.

Exercising the brain itself also helps. An active social life is one way to do that. Activities like puzzles, reading, writing, playing games and using online "brain exercise" programs appear to stimulate brain cells and the connections between the cells.

You might also want a health check. Your drugs, cholesterol, blood pressure, or some diseases, can all play a role in memory loss.

If you're forgetting more frequently, find yourself repeating yourself in the same conversation, or being lost when faced with a familiar activity, it could be more serious. Talk to your doctor or a professional counselor for an evaluation.

Start by eliminating standing water in the yard. Buckets, old tires and clogged gutters and downspouts that hold water make the perfect breeding ground for mosquitoes.

Drain water that collects in these as well as kids' toys, tarps and pool covers. Store these items in the garage or turn them over to keep them from becoming a mosquito breeding ground. Even small containers hold enough water for hundreds to thousands of mosquitoes to breed.

Change the water in birdbaths at least once a week. Consider installing a small pump to keep water moving to prevent mosquito breeding. Or use an organic mosquito control like Mosquito Dunks and Bits (SummitResponsibleSolutions.com) in rain barrels and water features. The Mosquito Bits quickly knock down the mosquito larval population, while the Mosquito Dunks provide 30 days of control. They are both certified organic and safe for pets, fish, wildlife and children.

Wear light colored, loose fitting clothing. These pests are less attracted to the lighter colors and can't readily reach your skin through loose clothing. And be sure to cover as much of your skin as possible with long sleeves and pants.

Add a few birdhouses to the landscape to bring in the birds. You'll enjoy their beauty and benefit from their diet of insects, including many garden pests and mosquitoes.

Keep the garden weeded. Mosquitoes rest in shrubs, trees and weeds during the day. Removing weeds and managing neglected garden spaces will make your landscape less inviting to these pests.

Consider using a personal repellent to protect you against disease-carrying mosquitoes. For those looking to avoid DEET, the Center for Disease Control and Prevention has also approved products with the active ingredient picaridin (found in Skin so Soft products), IR3535, and the synthetic oil of lemon and eucalyptus. Avoid products that contain both sunscreen and insect repellents as you need to apply the sunscreen more often than the repellent.

Add a bit more protection while sitting or eating outdoors. Use a fan to create a gentle breeze that keeps the weak flying mosquitoes away from you and your guests.

Some gardeners even take a small fan into the garden, while weeding.

Then add a bit of ambience to your next party by lighting a few citronella candles for your evening events. Citronella oil and the scented candles do have some mosquito repelling properties. Scatter lots of candles throughout your entertainment space. Position the candles within a few feet of your guests. This can provide some short term relief from these pests for you and your guests.

WBSL SEASON ENDS

The Warren Baseball & Softball League finished up the 2015 Kids Season with the final Championship game on July 6th. The league would like to take this opportunity to thank the Town of Warren and the Park Department for use of the facilities; all of our sponsors, league reps, coaches, umpires, concession workers, players and fans for another fun and exciting year with the WBSL.

The 2015 Season went very well, even though we had a lot of rain, we managed to get every team between 10 and 13 games. With all the rain, two diamonds and 1 field guy, I think we did pretty well.

The Adult Co-Ed softball league begins on Tuesday, July 28th. Come up and enjoy some games. We have a lot of teams once again and all proceeds go directly back to the Warren Baseball & Softball Kids League.

Tourney Winners are as follows: American Little League: 1st Allen Acres, 2nd Winter's Painting; National Little League: 1st Reber's Automotive, 2nd Shuttleworth Insurance; Junior Girls Softball: 1st DeaKyne's DDS, 2nd iAB Bank; Senior Girls Softball: 1st Citizen's Telephone, 2nd Lee Farms; Pony League: 1st Saturn Wheel, 2nd Hyline International.

Senior Girls Softball (aged 13-17) winners Citizen's Telephone

Junior Girls Softball (aged 7-12) winners DeaKyne's D.D.S.

American Little League (aged 7-10) winners Allen Acres

National Little League (aged 11-13) winners Reber's Automotive
