DEADLINE & RUMORS

June 7 will be the deadline for the June Menu of the Warren Angel Food Ministry. If you are in one of the 16 churches you have until June 8. Orders will be taken at the Warren Church of Christ this Thursday, June 5, from 3:00-7:00 P.M. and Saturday, June 7, from 9:00-11:00 A.M. We had rejections of \$80 in Food Stamps last month, so we'll try it again, but may have to accept only cash, money orders or checks. We'll see what happens. We know some don't get their food

stamps until after the deadline, so we're suggesting you make plans to budget that money ahead so you have enough that you can order the food. Again, ANYONE can order the Angel Food Menu and Specials. That menu has been publicized and is available everywhere. Call 375-2293 or 375-3022 if you need a menu. June's Menu and Specials look really good. Why not try it?!!

Rumors were sent out over the internet that Angel Food headquarters in Monroe, GA were going to increase their price to

\$40 because of the rising fuel cost, but they want everyone to know THEY ARE NOT RAISING THE PRICE! It will remain at \$30 per box unit. They are committed to bringing you the best food at the best price so you can use that money on other important things, like the price we're paying at the gas pump. Because we have the truck coming to Warren we save even more by picking it up here at the Warren Church of Christ.

Pick Up Time will be Saturday, June 21, 11:00-12:30. Bring your yellow receipt and box or basket. Volunteers will be waiting to serve you. If you'd like to volunteer to help, call Janice Jordan at 375-2293. Thanks for considering this great food ministry to our area communities.

CHURCH SALE

McNatt United Methodist Church will be hosting a Church-wide Garage Sale on Saturday, June 14 from 8 a.m. to 1 pm. at the Church. The Church is located on 800S in Wells County – just 1 1/2 miles west of State Road 3.

Proceeds will go to the Church landscaping project.

GAS GIVE-AWAY

With the rising cost of gas, the office of Kevin J DeaKyne DDS, PC, has had a month long drawing for a gas card from a local gas station. We realize this is an extra burden on seeking dental care. Our office strives to give quality, comfortable dental care in a relaxed atmosphere in a time and affordable fashion. The office is located at 470 Bennett Dr, Suite A. We are Met-Life and Delta Dental providers.

Our May winner was Walt Ring of Montpelier. Congratulations. Watch for our June winner. All entries will be included in the

Grand Prize drawing during our Patient Appreciation week in October.

THANK YOU TO STUDENTS AND STAFF

What a delight to have a story like this to submit for publication! The 27 students of the third grade of the Salamonie School came to the Bread of Life Food Pantry today with their dedicated teachers, i.e., Heather Moore and Carol Winterholter. Their little arms were loaded with gifts of food each student had purchased for the less fortunate. There were 181 appealing items; all selected with loving care. How gratifying to learn what our youth are being taught; the importance of caring for others. Our deepest thanks are expressed to both the teachers and their students.

AREA NEWS

GED on TV

Can't pay nearly \$4.00 per gallon to drive to a GED class — try GED on TV at home.

Hoosier adults who couldn't complete high school may study from home with the GED Connection television series. The summer programs begin the week of June 22nd. In the shortened summer session, Indiana PBS stations and many cable systems will broadcast the reading, writing and math programs. Students will receive workbooks for reading, writing, math, science and social studies, but the science and social studies programs will not be on the television again until the fall semester. Strong readers can work through the science and social studies workbooks without the television programs.

The \$45 enrollment fee provides the student with a pre-test, three workbooks, a Casio fx-260 solar calculator, like the one they will be permitted to use for the first half of the GED math section, newsletters, the official GED Practice Test, and a Test Fee Voucher worth up to \$60 that will pay for the student's GED test at any local testing center in Indiana.

Fifteen percent of all high school credentials issued in Indiana are GED diplomas. Nearly 8,000 Hoosier adults have earned a GED with GED on TV since 1990. Our students say that they like being able to learn from home because they do not have to have child care, they don't have to pay nearly \$4.00 per gallon for gas to drive to classes, and no one needs to know that they are preparing for the GED tests.

Adults who want or need to study at home for the GED test may enroll for the shortened summer semester now. A toll-free number, 1.877.433.6688, is available for enrolling from 8:00 a.m. until 4:00 p.m. Monday through Friday, and voice mail is available at all other times.

COUNCIL NOTES

Due to Memorial Day, the Warren Town Council met on Tuesday evening, May 27. The meeting was held in Assembly Hall. President Bill Cartwright opened the meeting at 6:30 p.m. with all in attendance repeating the Pledge to the American Flag.

Council agreed to rezone 206 North Main Street from business to residential. They scheduled a meeting for May 30 to take final action on the Ordinance.

Curtis Day reported the downtown project continues on schedule. On Thursday they started pouring the new sidewalks.

An update was given on the Electric Tracker. There has been

an increase by about three cents per kilowatt. Customers should see an increase on their bills.

Council approved replacing some valves on water lines. Three or four will be replaced every year.

PLATINUM STATUS

Shuttleworth Insurance recently achieved Platinum-level status from Westfield Insurance for their top performance among the Company's more than 1,200 insurance agencies throughout the country.

The Platinum status is the highest level in Westfield's FOCUS program, which is performance-based and designed to measure the levels of profit, growth, size and persistency of an agency's business with the Company. "Shuttleworth's dedication contribute to our success, giving Westfield the edge in a competitive marketplace," said Westfield P&C President Roger McManus.

Westfield introduced FOCUS in early 2001 to strategically recognize and reward top agencies while encouraging others to achieve top agency status. As a Platinum agency, Shuttleworth Insurance, will receive special benefits that improve their value and their ability to sell and retain business.

Shuttleworth Insurance, an Independent Insurance Agency, has been in business in the Warren area for over 30 years and is operated by William E. Shuttleworth. The agency is located at 201 North Wayne Street in the National City Bank Building in downtown Warren. The agency's philosophy of doing business is best summed up in its slogan which is "Shuttleworth Insurance provides it customers the Right Protection at the Best Price."

GOLF OUTING 2008

Saturday, May 24th, Dillman United Brethren Church held their annual Golf Scramble at Arbor Trace Golf Course. 23 teams participated in the event. This is the 20th year this scramble has been held at Arbor Trace. The sun was out, the breeze was cool. It was a perfect day for golf. The money raised will be used to send kids to Church Camp at Camp Cotubic in Ohio. The church has approximately 22 kids going to camp this year. The Youth Group from Dillman sponsored a putting tournament at the course as a fund raiser. Prizes were awarded and lunch was served under the pavilion at Arbor Trace. Everyone's help and donations were greatly appreciated. Thanks to Jack and his staff at Arbor Trace for another great time. See ya next year!

NORTON COLLECTION

Those attending the May 27th meeting of the Montpelier Historical Society were treated to a glimpse of some of Montpelier's history through an assortment of albums and other items pertaining to Montpelier.

One of the former presidents of the historical society, Carl Harry

Norton, was an avid and serious collector of Montpelier memorabilia. His research was very thorough and accurate. Prior to his untimely death he compiled numerous albums of newspaper articles and other documentation of Montpelier businesses, people and events. His widow, Cindy Norton, brought part of his collection to share with members of the historical society at their meeting Tuesday night.

Besides albums about mills, Montpelier artists, post cards, churches of Montpelier, etc., Cindy brought old hand stamp seals of a Lake Blue Water Amusement Co. and of the Neal Theater Co. of Montpelier, Indiana.

A wooden clothes hanger featured the advertisement of the Purman Johnson & Co. General Store, while different glass bottles represented some of the early bottling operations that were located in Montpelier.

Also available for inspection were books written by people who had Montpelier connections, namely authors Samuel W. Tait, Jr., Lou Ann Walker, Marvin Heiny and Sherman Harrold.

An enjoyable time was spent looking at the various articles and discussing aspects of Montpelier's earlier days, and appreciation is expressed to Cindy for allowing us to see this unique collection that records some of our town's history.

BLOOD DRIVE

For the second year, the American Red Cross is participating in the statewide Fallen Officer Blood Drive campaign. During the month of

June, the American Red Cross will host blood drives across the state of Indiana to honor those who serve and protect our communities.

Janice Starnes is responsible for organizing this statewide blood drive campaign and knows first-hand how important blood donation can be. Starnes' husband, Sergeant Daniel Starnes, was killed in the line of duty in 2001. He received many units of blood during the 27 days he survived after being shot. After watching her husband receive countless blood transfusions, she realized there was a way for others to help.

"I called Dan's department and asked them to organize a blood drive to honor Dan," Starnes recalls. "Sadly, Dan did not live to know about the blood drive since the first one was held one month after he paid the ultimate sacrifice."

However, the local blood drive held in honor of her late-husband lead Starnes to expand her efforts. "We have continued the blood drive each year in our

community and have been pleased with the success of the blood drives held in Dan's honor. It was my dream to have this statewide blood drive, which is now named 'Indiana Fallen Officer Blood Drive,'" said Starnes.

Help honor the lives of those who serve and protect our communities by donating blood at one of the following American Red Cross blood drives:

Monday, June 9, from 2 p.m. until 6 p.m. at Church of Christ located at 455 E. Morse St. in Markle.

Monday, June 9, from 1 p.m. until 7 p.m. at Evangelical United Methodist Church located at 1000 Flaxmill Road in Huntington.

All presenting donors in the month of June will have the opportunity to enter into a region-wide drawing for a grill package worth \$1,250.

If you are at least 17 years of age, weigh a minimum of 110 pounds and are in good general health, you may be eligible to donate blood. All donors need to present positive identification. For more information or to schedule your blood donation appointment, call 1-800-GIVE-LIFE (1-800-448-3543).

VOLUNTEERS NEEDED

For the third year in a row, the Indiana State Fair will feature a free fishing pond to help children learn how to fish. The DNR needs various types of volunteers to make this effort a success once again.

Each volunteer will receive a free fair ticket for each day they work and a T-shirt to wear for their shift. No experience is necessary.

The pond will be open for the duration of the fair, Aug. 6 -17, with two shifts each day available to volunteers, 9 a.m.-noon, and 4 -7 p.m., except for Aug. 6 and 9, when no morning session will take place.

Six volunteer positions are open, one more than last year. A tent for Angler's Legacy, which needs to be staffed, has been added. Angler's Legacy is a program focused on involving adults in fishing through teaching someone to fish or taking someone new fishing every year.

Volunteers are also needed at the fishing station to help one to two kids fish every 15 minutes of the three-hour shift. At the arts and crafts station, volunteers will help kids with a craft activity when they have finished fishing and pass out gift bags to the children.

Those who prefer a more low-key volunteer position can sit in the equipment tent's shade and repair poles as needed to keep the fun going. Finally, volunteers are needed to help at the registration table; these individuals will help sign up kids to fish by taking their information and giving them a wristband for the day.

Contact Leland Kinnett, State Fair Fishing Pond coordinator, at LKinnett@dnr.IN.gov or (317) 562-1338 with your name, phone number, address, job, shifts and days desired. If you would like to bring friends along to help, please provide their information.

RACING AT MONTPELIER

On Saturday, June 7, Montpelier Motor Speedway is hosting Ronald McDonald House of Indiana Night. A portion of the ticket sales from the night will be donated to the House. Families staying at the House and volunteers of the Ronald McDonald House of Indiana will be admitted free.

Kokomo residents Bill Frederickson and his son Jamie Frederickson race sprint cars. They had an idea to use their team to raise funds and awareness to help families served by the Ronald McDonald House of Indiana. After weeks of work, phone calls, and hustle, they have enlisted the support of some of Indiana's great small race tracks to help raise money for the families served by the Ronald McDonald House of Indiana. In addition, Frederickson Racing has painted its sprint car in Ronald McDonald House colors to reflect their support of the House. Although the Frederickson's

sprint car will not be in action at Montpelier (the night's races feature stock cars and modifieds), it will be on display for fans to see.

The public is invited to come to the track and show their support of the Ronald McDonald House of Indiana, while they enjoy a great racing show. The Montpelier Motor Speedway is located at 700 S. Jefferson Street in Montpelier, Indiana. The town is near Marion, Indiana, east of I-69 on State Road 18. The track's telephone number is 765-728-8210. Gates open at 3:00 p.m., hot laps at 6:00 p.m., and racing starts at 7:00 p.m.

Jamie Frederickson has been racing since 1993. Jamie's father Bill manages the program and handles the marketing and sponsorships. Jamie has competed in various race classifications, including USAC, World of Outlaws, All-Stars, MidAmerica Sprint Series, and the Great Lakes Outlaw Sprint Series. The team has raced at tracks throughout Indiana, Michigan and Ohio.

The Ronald McDonald House of Indiana is a home away from home for families with children being treated at Indianapolis, primarily Riley Hospital for Children. It has 52 rooms plus an additional 6 rooms at its facility located inside Riley Hospital for Children. The House opened in 1982 and was enlarged in 1989. In 2004, a satellite facility was opened inside Riley Hospital for Children. In 2007 at its Limestone Street and Riley Hospital locations, the House served a total of 1,379 families from most every county in Indiana, 15 states and 7 countries. Also in 2007, the House celebrated its 25th Anniversary. No family is ever turned away because of an inability to pay. For more information, visit our website www.rmh-indiana.org.

EAGLE SERVES ON MISSION TRIP

Huntington Eagle Senior, Andrew Daniels, traveled to the Dominican Republic with a High School Basketball team coordinated

through SCORE International. www.scoreinternational.org

They played games against National teams, visited two orphanages, led two Basketball Clinics for children, provided food to families in a very poor (Sugar Cane) village, gave out multiple pairs of Nike shoes after each game and shared their testimony of Faith in the Lord Jesus Christ as the only means of eternal salvation, with fans and teams at each event.

SCORE representative, Aaron Fourman, from Cedarville, Ohio, coordinated this trip. Coach Ray Slagle, former Head Basketball Coach for the Cedarville Yellow Jackets guided the team to a 6-1 record against the talented Dominicans. The team was composed of Home Educated Athletes from around the country.

CARING FOR SPORTS INJURIES

If you want to dance like a star or shoot hoops like a pro, you need to be prepared for injuries. Don't take valuable time away from the dance floor or the court because you get hurt—learn how to recognize injuries and how to heal faster once they happen. [Caring for Sports Injuries](#), a free package of brochures from the National Institute of Arthritis and Musculoskeletal and Skin Diseases and the Federal Citizen Information Center is just what you need to get yourself back in top form.

Sports injuries can hit anyone, even children. Sprains, fractures, dislocations, shin splints—each one causes pain. And no matter whether you're young, old, male, female, often active, or exercise irregularly, you should be on the lookout for signs of an injury. Acute injuries, such as a sprain, strain, or fracture, happen suddenly: you may feel sudden pain, tenderness, swelling, or weakness. Chronic injuries stem from overuse over long periods of

time. Bursitis and tendinitis are common chronic injuries. You might feel pain, swelling, or a dull ache when you're at rest if you have one of these injuries. Learn more about the common types of injuries and how to recognize them with the **Caring for Sports Injuries** package.

If you are injured, take action immediately—STOP what you're doing! You have no reason to "work through" the pain, and it probably won't just "work itself out." If you have severe pain or swelling or if you can't put weight on the area, call a health professional right away. If you don't have those symptoms, use the RICE method to ease your discomfort: Rest, Ice, Compression, and Elevation. You may still want to consult a health care provider at some point, however; when you do, use the **Caring for Sports Injuries** package to learn more about which types of doctors can treat you.

Whether you regularly pick up a racket for the school team or occasionally play backyard games with your kids, sports

injuries are a possibility. Be prepared with the information in this free package, and then get back to having fun! There are three easy ways to place your order:

· Send your name and address to **Caring for Sports Injuries, Pueblo, Colorado 81009.**

· Visit www.pueblo.gsa.gov/rc/n77caringforsportsinjuries.htm to place your order online or to read or print these and hundreds of other Federal publications for free.

· Call toll-free 1 (888) 8 PUEBLO. That's 1 (888) 878-3256, weekdays 8 a.m. to 8 p.m. Eastern Time, and ask for the **Caring for Sports Injuries** package.

Get even more information and take advantage of online government services resources at www.USA.gov and www.GobiernoUSA.gov—your official English and Spanish web portals to the Federal Government.
